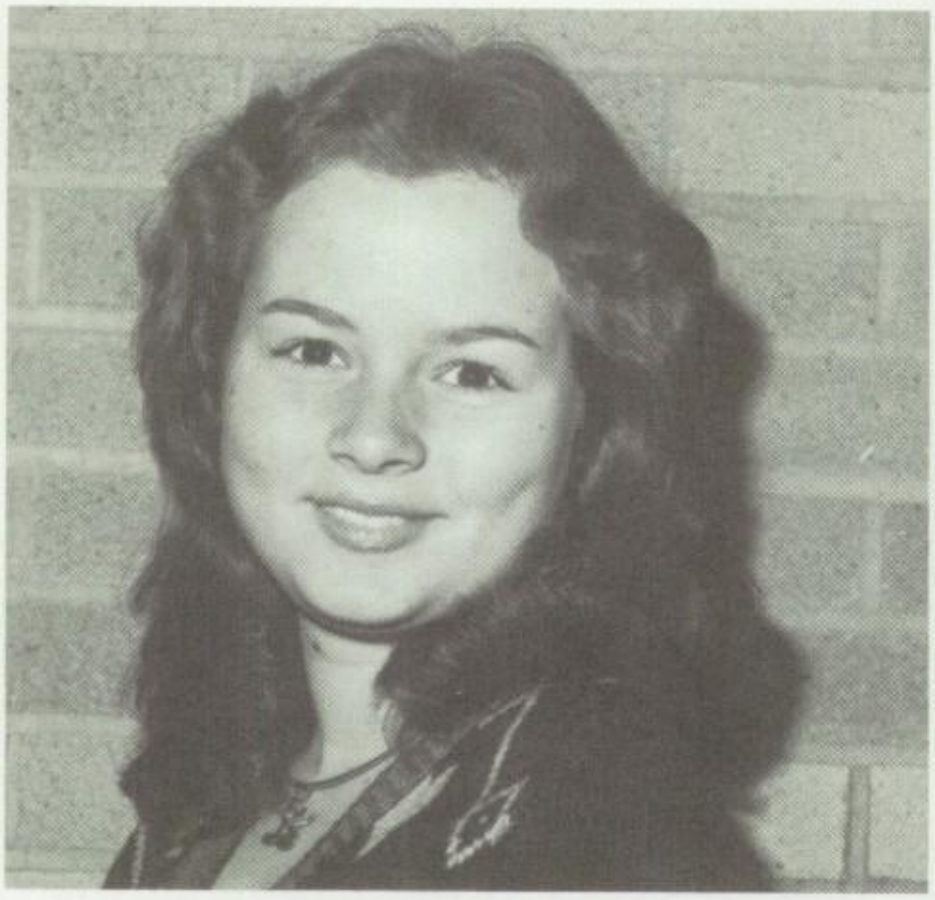
EXCHANGE STUDENT



When Patricia Trinler first came here, we didn't know what she liked or even what she was like. About the last 2 or 3 weeks that she was here she said she had really enjoyed her stay here. "I liked the basketball games and all of the CHS kids. They were really nice to me. This kind of school was really an experience for me – ours is really different. I loved the Carousel and the parties. What I really enjoyed though, was how well everyone got along with one another. I liked my classes and the chance to make so many new friends. I will never forget the town of Coldwater or any of the people in it. Thank you for making my stay so enjoyable." Patricia stayed with the John Hartings family of Coldwater.

We, the staff of the 1977 Yearbook would like to personally extend our gratitude and thanks to the patrons who have really made this book of memories possible. Without them, many of our treasured high school memories would just fade away. Now we will be able to hold onto them forever. Again, Thank You!
